

## Kill-A-Watt Power Strip Review: Green Guilt Comes To Your Home Theater Review (Gizmodo)

More info...

# review I love my P3 Kill-A-Watt power meter, so when I spotted the Kill-A-Watt power strip at CES, I immediately knew its value: Track all your earth-killing home-theater gear with a single tool. It works, but "simple" is good and bad. More

Pinnacle Speakers Home Theater Speaker System for \$549 + free shipping, more (I4U)

Dell Small Business offers the Pinnacle Speakers MB10000 Microburst Home Theater Speaker System (pictured) for \$548.99. With free shipping, that's \$1,951 off and the lowest total price we could find for this system. Sales tax is added where applicable. It ...
